Dear Ms. White

According to your letter of January 22, 2008 to Star Stone Quarries, Inc., the Wright/Garff permit application, S/043/030, has been approved and in 45 days from said January 22, 2008 (March 7, 2008) Wright/Garff may begin its mining operation on the permitted five acres. Written confirmation of this understanding will be appreciated.

We look forward to commencing operation of the quarry and pledge our full effort to comply with all Division requirements and anticipate a close and amicable working relationship.

Kindest regards,

Edward B. Rogers, Manager
